1st Grade!!!

4 Oh Lala! It's Christmas!
I love christmas - Its my favorite
holiday. The presents are the best
because I hope to get a puppy!
All I have to do is feed it. It is
boring, I say to my mother "you do it!"
Another thing that I can do is
Spend more time with my brother.
Because he is the best brother in the world.
I love him no matter what. I sing to him
and he likes it. Finally I go to bed
but not yet, first I have to
watch DVDs and cookies and
that's what I love about Christmas!
But that's not all OK? Oh I love
I leave out cookies and milk for
Santa that is the best part because
I stay away so I can see Santa's
reindeer I want to ride the sleigh I love
Santa - I Love Christmas

4 The sled ride would be awesome!
Because I would take the toys
away from the bag. So I can
be rich with toys and more
toys. I will have more toys than
anyone in the world. I would share
with my family and friends.
Just them - I love them!
The sled ride was cool. Santa
took me home and I opened
one of my presents. Santa stayed
at my house we had a
tea party with food and tea.
I pretended that it was my
birthday. Santa is the best
Santa I had in my life!
I love him no matter what.
"Santa I want to know your
name" he said "Jeff" then
I said "cool that is a really cool
name!"
