My oh my it's Christmas  
all ready - it's my  
favorite holiday! My  
whole family comes  
over for Christmas.  
I like when my grandma  
and aunt play games  
with me. Then  
we go outside to  
look for a red circle  
in the sky. That circle  
in the sky is Roadak!  
And another thing  
I like to do is get  
out of school. Then  
I have a chance to  
play with my new  
toys. Finally I make  
Christmas cookies. The  
cookies that my mom  
makes are the best!

5 The cookies that  
my mom made was the  
best cookies in the world.  
Santa liked the cookies,  
"the best cookies!"

he said to me, "Thees  
are the best in the  
whole wide world."  
When Santa is in my house  
I will sneak out my wendo,  
and when Santa comes back  
I will go in his bag,  
and then when he gets  
to the next house  
I'll take all of the  
toys and then I jump  
out and run back  
to my house. <sup>in</sup>  
My feet are so cold  
when I get home,  
I get by the fire!

5 I am going to have  
the best Christmas ever!
